

CRYPTO, KWA LUGHA RAHISI

What is Pastatrade — and why?

Pastatrade ni nini — na kwa nini?

Your everyday crypto questions, answered in plain language.

Maswali yako ya kila siku ya crypto, yanajibiwa kwa lugha rahisi.

Take your time and read it. · Chukua muda wako uisome.

Crypto is overwhelming. We make it simple.

Crypto ni ngumu. Sisi tunairahisisha.

Charts, news and opinions are everywhere — and they often disagree. Pastatrade reads the whole market for you and tells you, in simple words, what is actually happening today.

Chati, habari na maoni vipo kila mahali — na mara nyingi vinapingana. Pastatrade inasoma soko zima kwa niaba yako na kukuambia, kwa maneno rahisi, kinachoendelea kweli leo.

You read one page — and you understand the market.

Unasoma ukurasa mmoja — na unaelewa soko.

The everyday questions it answers

Maswali ya kila siku inayoyajibu

? **Is now a good time to buy (DCA)?**

Je, sasa ni wakati mzuri wa kununua (DCA)?

? **Is Bitcoin cheap, fair, or too expensive?**

Je, Bitcoin ipo rahisi, ya kawaida, au ghali mno?

? **Is the crowd calm — or getting greedy?**

Je, umati uko shwari — au unaanza kuwa na pupa?

? **Are altcoins actually beating Bitcoin?**

Je, altcoins zinaishinda Bitcoin kweli?

? **Is it time to take some profit?**

Je, ni wakati wa kuchukua faida kidogo?

? **So... what should I do today?**

Kwa hiyo... nifanye nini leo?

It is NOT a "too technical" app.

Si app ya "kitaalamu sana".

You do not need to read charts or understand math. Every score becomes a clear, everyday sentence — accumulate, hold, be careful, or take profit.

Huhitaji kusoma chati wala kuelewa hesabu. Kila alama inakuwa sentensi rahisi — kusanya, shikilia, kuwa makini, au chukua faida.

Plain words, not jargon

Maneno rahisi, si lugha ngumu

A clear daily answer

Jibu moja la wazi kila siku

English & Swahili

Kiingereza & Kiswahili

The tools inside Pastatrade

Zana zilizomo ndani ya Pastatrade

Follow the market, not the noise.

Fuata soko, si kelele.

Look at the bigger picture

Is it a bull or bear market? Is money flowing in or out? Is the crowd calm or greedy? That is what matters.

Angalia picha kubwa: ni soko la bull au bear? Pesa inaingia au inatoka? Umati uko shwari au pupa? Ndilo la maana.

Ignore the daily panic

War news, rumors, elections, hype - these come and go and confuse people. Do not trade on fear alone.

Habari za vita, uvumi, uchaguzi, hype - vinakuja na kupita na kuchanganya watu. Usifanye maamuzi kwa hofu pekee.

"Smart investors do not react to every headline - they follow the market regime."

Wawekezaji werevu hawajibu kila kichwa cha habari - wanafuata mwelekeo wa soko.

How to start in 3 steps

Jinsi ya kuanza kwa hatua 3

1

Create a free account

Fungua akaunti bure
